

We don't know the first thing about bubble wrap and packaging tape.  
But that doesn't mean we don't know self storage.

**FREE  
PRICING  
ANALYSIS**

What are you  
*really* paying?

It's not easy to claim you're the "self storage expert" when you can barely handle a carpet dolly. Yet, nearly 6,000 self storage professionals – from individual owner-operators to 600-location outfits – trust **Payment Processing, Inc. (PPI)** to process their electronic payments.

PPI's payment solutions are integrated with the Top 10 self storage software packages, providing you sophisticated features to increase efficiencies and help your business prosper:

- **Automatic, recurring customer transactions**
- **Electronic check processing**
- **Online payment acceptance**

Still not convinced we're the self storage experts? Last year, we processed over **\$1 billion** in credit and debit card transactions for your industry.

### Get a **FREE** detailed pricing analysis!

Let our financial payment experts decipher your statements and uncover your real costs.
